More about Adams 12 Choice

Entrance into high school programs with specialized admissions criteria like Horizon [SOAR](#), Legacy [2000](#), Mountain Range [High School of Business™](#), Northglenn High [STEM](#) and EC@N-STEM Programs and Thornton High [International Baccalaureate](#) (IB) are managed directly by each school. In-district and out-of-district students wishing to attend high school programs with specialized admissions criteria must apply directly with the school's program and do not need to apply with the Choice Program. More information about this process can be found on school websites.

Students who receive approval of their Choice application and attend schools outside their assigned attendance area are responsible for their own transportation to and from the school. Families eligible for homeless assistance services should consult with the Student and Family Outreach Program before choosing to participate in the Choice program by calling 720-972-6015.
